

VICTORIA INTERNATIONAL

WINE

Festival

2025 BROCHURE

About

Since its inception in 2017 with just 20 tables and a single session, the Victoria International Wine Festival has blossomed into a premier four-day event, now showcasing over 400 wines from 15 countries.

What sets this festival apart? While the love of wine may seem reason enough, our mission goes deeper. The Festival was created by two sommeliers and an event planner with a shared goal of educating and inspiring wine lovers to discover high-quality, affordable wines. Whether you are an amateur wine enthusiast or a seasoned connoisseur, our curated selection represents the very best in value and flavour.

Thank you for being part of our story, and cheers to the world of wine.

"In vino veritas." (In wine, there is truth.)
— Pliny the Elder

Etiquette

To ensure the best experience at the Festival, follow these tasting room etiquette tips:

Avoid heavily scented grooming products. These make it much more challenging to enjoy the subtleties of wine.

Use the spittoons provided. There are a lot of wines to explore, and if you want to experience as many as possible, you will need to avoid overindulging. Palate fatigue is a real thing!

Be aware of your surroundings. Agents love an interested consumer, but they also want to make sure that everybody gets a taste. When the agent pours you a sample and other people are waiting, consider stepping away from the table to evaluate your wine. When you are ready to try another wine or have a question for the agent, step back up. It will make for better traffic flow throughout the Festival.

Safety first. Overindulging is always poor etiquette. If you are driving to the Festival, monitor yourself and, if necessary, arrange for alternate transportation home.

Lastly, ask questions and have fun. This year's Festival features sommeliers, agents, and educators who are thrilled to share their knowledge with you and to help you find your new favourite wine.

Seminars

Exploring Canada

October 3th, at 5:30pm

Discover the diversity and character of Canadian wine in this guided seminar that celebrates the country's distinct regions and emerging producers. From the mineral-driven whites of Nova Scotia to the bold reds of British Columbia's interior, Exploring Canada invites attendees to taste and learn about the unique climates, soils, and winemaking philosophies shaping our national wine identity. Perfect for both trade and enthusiasts, this session highlights iconic styles as well as lesser-known gems, offering a panoramic view of Canada's evolving wine landscape.

Each year, we collaborate with our sommelier panel to design educational experiences that offer meaningful insight and a deeper understanding of the world of wine. Welcome to the seminars of the Victoria International Wine Festival. Join us and learn.

South Africa

October 4th at 1:30pm

With a heritage older than many “Old World” regions, South Africa produces incredible wines that are true testaments to the land they come from. Discover why South Africa has become a go-to region for everything from crisp Sauvignon Blanc and luscious Chenin Blanc to funky Cinsault and serious Cabernet Sauvignon. Cellar Master Johan Jordaan will explain the winning combinations of South African sun, wind and (very) old soils that lead to the elegant, balanced wines you will be tasting.

The Worlds Best

October 4th at 5:30pm

Presented by Everything Wine, this seminar showcases award-winning wines from the world's top wineries. Guided by experts, guests will explore what makes these producers exceptional and why their wines earn global acclaim. Perfect for collectors and curious wine lovers alike, it's a journey into the artistry of great winemaking.

FEAT
WINES

The Tasting Journey

Each wine at the Festival is organized by presenter. A presenter may be a winery, a wine agency, or a society or collective representing a group of wines. Our goal is to offer a diverse and dynamic selection that allows you to explore the wine regions of the world one glass at a time.

There are three featured regions of the Festival: the Cowichan Valley, Thompson Okanagan, and South Africa. Each of these regions hosts a unique space in the tasting room. On the next pages you will find the offerings of wines from each region, followed by a section of wines showcasing the rest of the world.

Hold onto this passport to order and to search for new products when shopping in the future. Prices are dependent on the store, but we provide a general range. The SKU is the identification number of the wine when looking for it.

Please enjoy responsibly, and always email us if you have any questions. Info@vicwf.com
